ABOUT US

The key ingredient in MAKO Oil is fish oil, a natural substance that has long been used to preserve and protect leather, timber and metals. Its excellent lubricating properties made it ideal for hydraulic systems well before the introduction of synthetic oils, as it will not damage rubber fittings or hoses.

MAKO Oil is a penetrating lubricant that inhibits corrosion while nourishing wood, vinyl, plastics and leather. It is used across a wide range of industries including automotive, armoury, aquaculture, marine, sugar mills, farm equipment, metal fabrication, rubber, leather and vinyl goods, stainless steel and fibreglass polishing, as well as general home and workshop applications.

Developed in Far North Queensland in 1995 at Mission Beach — a regional coastal town — MAKO Oil was created to combat the rust, corrosion and lubrication challenges caused by humidity and salt water. In 1996 it won the Queensland Government Industry Award. Today our mission remains the same: to bring innovative products to the market.

MAKO IT BETTER

MAKO PENETRATING OIL

THE ORIGINAL FISH OIL LUBRICANT TRADITIONAL FISH OIL PROTECTION - MODERNISED FOR INDUSTRY

PENETRATES & FREES

Breaks down rust and frees seized or stuck parts.

LUBRICATES & PROTECTS

Deep lubricating film reduces friction and wear.

CORROSION INHIBITOR

Long lasting protection against rust and moisture.

MATERIAL FRIENDLY

Safe on rubber, plastic, vinyl, painted surfaces and more.

PRODUCT RANGE

AEROSOL 150G	BOTTLE 5 LITRE	TRIGGER 750ML
AEROSOL 400G	BOTTLE 20 LITRE	DRUM 200 LITRE

MAKO 3 IN 1 ZINC SPRAY

Zinc Rich for Maximum Protection

- ✓ FAST DRYING
- ✓ METALLIC SILVER FINISH
- ✓ LONG LASTING DURABILITY
- ✓ PROTECT-MATCH-SEAL
- ✓ INDUSTRIAL STRENGTH
- ✓ EXCELLENT ADHESION
- ✓ CORROSION RESISTANT

MAKO 3 in 1 gives exceptional long-term protection against rust and corrosion ideally suited for touching up welds and for damaged structures or components. **Silver Zinc 3 in 1** will weather to approximately the same colour as normal galvanising, giving you an even finish. The high content of zinc ensures complete protection from outdoor elements.

MAKO LANOLIN SPRAY

Heavy Duty Protection & Lubrication

- ✓ LONG-LASTING CORROSION PROTECTION
- ✓ DISPLACES MOISTURE
- ✓ LUBRICATES & PENETRATES
- ✓ ANTI-SEIZE PROPERTIES
- ✓ RESISTS SALT, WATER & ACIDS
- ✓ SAFE ON METALS, PLASTICS, RUBBER & PAINT
- ✓ LEAVES A LASTING, NON-DRYING FILM

MAKO Lanolin Heavy Duty Spray delivers long-term protection and lubrication in one easy step. The natural lanolin formula penetrates deeply, displaces moisture, loosens rusted parts and leaves a durable, water-resistant barrier that won't wash off.

Ideal for marine, automotive, industrial and outdoor equipment — protects against salt, humidity and corrosion while lubricating hinges, chains, cables, locks and moving parts.

MAKO IT BETTER

MAKO SILICONE SPRAY

Clean Lubrication & Waterproof Protection

- ✓ DOOR HINGES & LATCHES
- ✓ RUBBER SEALS & WEATHER STRIPPING
- ✓ PLASTIC & VINYL COMPONENTS
- ✓ SLIDING TRACKS & GUIDES
- ✓ ELECTRICAL CONNECTIONS (MOISTURE PROTECTION)
- ✓ MARINE HARDWARE
- ✓ OUTDOOR EQUIPMENT & TOOLS

MAKO Silicone Spray delivers superior clean lubrication and long-term protection against moisture and corrosion. Ideally suited for hinges, seals, rubber components, plastic parts, and metal surfaces.

Leaves a clear, non-sticky, water-repellent film that reduces friction, prevents sticking, and safeguards against rust without attracting dust or dirt. Perfect for industrial, marine, and outdoor applications where a clean, lasting finish is required.

MAKO IT BETTER

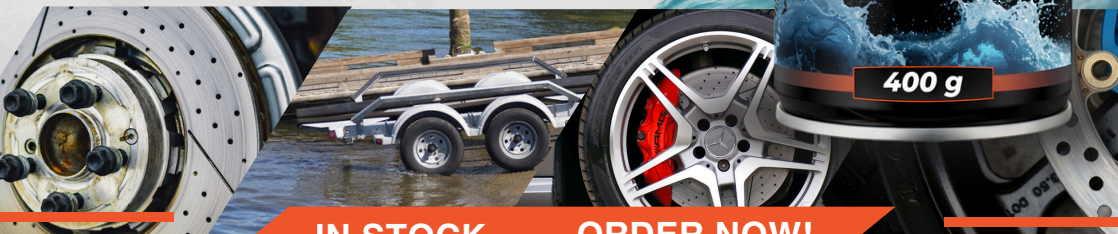

MAKO BRAKE CLEANER

NON-CHLORINATED Cleaning for Brake Systems

- ✓ FAST EVAPORATING
- ✓ LEAVES NO RESIDUE
- ✓ REMOVES GREASE, OIL & BRAKE FLUID
- ✓ POWERFUL CLEANING ACTION
- ✓ INDUSTRIAL STRENGTH FORMULA
- ✓ SAFE ON MOST BRAKE COMPONENTS
- ✓ QUICK DRYING
- ✓ CHLORINE-FREE FORMULA

MAKO Brake Cleaner is a high-performance, fast-evaporating solvent designed for thorough cleaning of brake and clutch components. It rapidly removes grease, oil, brake fluid, dirt and contaminants without leaving any residue, ensuring clean, safe and reliable braking performance.

Ideal for use on disc and drum brakes, callipers, pads, shoes, rotors and related parts. Also suitable for general degreasing of tools, engines and mechanical components in industrial, automotive and workshop environments.

MAKO ENGINE DEGREASER

Heavy-Duty Cleaning Power for Engines & Machinery

- ✓ FAST-ACTING FORMULA
- ✓ CUTS THROUGH HEAVY GREASE & OIL
- ✓ REMOVES DIRT, GRIME & CONTAMINANTS
- ✓ INDUSTRIAL STRENGTH
- ✓ WATER-SOLUBLE / EASY RINSE-OFF
- ✓ SAFE ON MOST PAINTED SURFACES
- ✓ LOW ODOUR
- ✓ SUITABLE FOR ENGINES, CHASSIS & EQUIPMENT

MAKO Engine Degreaser is a powerful, industrial-strength cleaner designed to break down and remove heavy grease, oil, dirt and built-up grime from engines and mechanical components. Its fast-acting formula penetrates deeply and emulsifies contaminants so they can be easily rinsed away with water, leaving surfaces clean and ready for inspection or further work.

Ideal for use on car, truck, marine and industrial engines, as well as chassis, machinery and workshop equipment. Delivers professional results with minimal effort.

MAKO ELECTRICAL CONTACT CLEANER

Precision Cleaning for Electrical Connections & Components

- ✓ **ELECTRICAL CONNECTORS & TERMINALS**
- ✓ **SWITCHES, RELAYS & CONTACT POINTS**
- ✓ **CIRCUIT BOARDS & ELECTRONIC COMPONENTS**
- ✓ **BATTERY TERMINALS**
- ✓ **SENSORS & CONTROL MODULES**
- ✓ **AUTOMOTIVE & MARINE ELECTRICAL SYSTEMS**

MAKO Electrical Contact Cleaner is a high-purity, fast-evaporating solvent designed to safely clean and restore electrical contacts, connectors and components. It effectively removes dirt, oil, grease, oxidation and other contaminants that can cause poor conductivity or intermittent faults, without leaving any residue.

Ideal for use on switches, relays, circuit boards, connectors, terminals and other electrical parts. Delivers reliable performance in automotive, industrial, marine and electronic applications.

PRICING

- GST will be added to all invoices at the applicable rate.
- Prices are subject to change without notice.

FREIGHT

Freight charges are additional and are calculated based on order size, weight, destination and delivery requirements.

PLEASE CONTACT YOUR SILVER ZINC SUPPLIES REPRESENTATIVE FOR A FREIGHT QUOTE.

AVAILABILITY

Product availability is subject to stock on hand at the time of order. Lead times for out-of-stock items will be advised upon receipt of your order.

MINIMUM ORDER REQUIREMENTS

Minimum order quantities may apply to selected products and all customised or co-branded printed can programs.

CUSTOM BRANDING SOLUTIONS

Ask us about our Co-Brand Series and Premium Private Label programs designed to help promote your business with professionally branded aerosol products.

TRADING TERMS

Standard trading terms apply to approved accounts. New accounts may require payment prior to dispatch until credit facilities have been established.

PRODUCT INFORMATION

Product specifications, packaging and formulations may be updated from time to time as part of our ongoing product improvement program.

TECHNICAL DOCUMENTS

Safety Data Sheets (SDS) and Technical Data Sheets (TDS) are available on request for all products.
