ABOUT US

Silver Zinc Supplies is the market leader of protective zinc coatings, survey spot & line marking aerosols, Cynox industrial lubricants and protective maintenance products **since 1997**. We invest heavily into research and development and our R&D team are continually testing the boundaries to ensure the latest and up-to-date product lines to make your manufacturing & rework tasks simple.

All products are manufactured to the highest quality and are put through strict quality control procedures. Silver Zinc Supplies is the trusted name for performance industrial products for over 20 years. Our products are sold through distribution throughout Australia and we welcome the opportunity to further discuss your specific requirements.

SPOT SURVEY MARKING

AVAILABLE IN 9 COLOURS!

A4001-A4009

THE PERFECT OUTDOOR MARKER

Designed to create highly visible marks on a range of surfaces & as a colour identification system, **SZS Survey Spot** is an essential tool for all tradesmen & field operators. Survey spot aerosol paint is ideal for use in surveying, construction, civil works & landscaping.

Colour-coding utilities & marking survey lines with precision, this upside-down marking paint is ideal for spot marking & site "writing" on hard surfaces.

Fitted with a sturdy trigger cap for clean, reliable application & a non-clogging formula to ensure full use of every can. Semi-permanent marks last 3-6 months, depending on surface & conditions.

INDUSTRIAL PRODUCTS

LANOLIN SPRAY & SILICONE SPRAY

L0001

Lanolin Spray is an all-natural lubricant and corrosion inhibitor for automotive, electrical, and household use. It protects against rust on 4WDs, trailers, caravans, and boats, while also acting as a moisture barrier for electrical components. It can also help rejuvenate timber, vinyl, leather, and plastics.

- Environmentally Friendly
- Long Term Protection
- Non-Evaporative Film
- Non-Toxic Film
- Non-Flammable Film
- Non-Conducting Film
- Industrial Strength
- Premium Quality

L1050

Silicone Spray is a non-staining lubricant that protects and suits industrial, automotive, and household use. Examples of **Silicone Spray** applications:

- Lubricates & protects door locks & hinges
- Drapes and curtain tracking
- Free up sticky drawers
- Preserves rubber mounting
- Shines & protects dashboards
- Battery terminals
- Lubricates sliding surfaces
- Splatter guard for welding
- Lubricates garage door tracks
- Protects cutting ties
- Plus hundreds of other uses

INDUSTRIAL PRODUCTS

BRAKE CLEANER & CURTAIN TRACK

L0003

Brake Cleaner removes oil, grease, and grime from parts, ideal for brakes, engines, tools, and equipment.

- Professional strength
- Evaporates completely without residue or staining
- Fast acting, non-corrosive
- Cleans brake pads without the need to dismantle
- Cleans and degreases
- Eliminates brake spillage

L0002

Curtain Track Lubricant lubricates and protects hinges, slides, locks, and equipment. A high-quality, silicone-free spray, it's safe on plastic and rubber, water-resistant, and provides excellent corrosion protection for industrial and domestic use.

- Reduces roller wear
- Increased roller life
- Reliable operation
- Antistatic
- Resists dust & grime
- Long term protection
- Industrial Strength
- Premium quality

TAPPING COMPOUND

BIO-TAP

SUSTAINABLE RESOURCES

Made with sustainably sourced materials & biodegradable ingredients.

It breaks down naturally, reduces waste, & lets you tackle tough steel & stainless jobs with a clear conscience. Strong on the job - gentle on the planet.

STICKS TO EVERY METAL

Bio-tap's ultra-thick, tacky formula clings aggressively to all metals, tools, & workpieces. No more wasted compound. No more dry taps. Just reliable, heavy-duty lubrication that sticks through the entire job.

PRO THREADS EVERY TIME

Bio-tap's advanced formula delivers clean, sharp, professional-quality threads with a mirror-like finish on steel & stainless.

Whether you're hand-tapping or running production, you'll get consistent, high-strength threads that look & perform like a pro did the job.
